MOVING SEASON REMINDERS

June 2026

We would like to remind all residents that **under no circumstances** should furniture, mattresses, or other large household items be left inside or around the dumpsters.

Please dispose of items properly and make arrangements for the removal of any large belongings that cannot be placed inside the dumpster.

Additionally, please remember to:

- *Break down all cardboard boxes before placing them in the dumpster or recycling container.
- *Use the recycling bin only for recyclable materials.
- *Do not place trash or non-recyclable items in the recycling container.

*On behalf of **Great Eastern Management Company**, we would like to wish all fathers and father figures a very Happy Father's Day! Thank you for all the love, care, and dedication you bring to your families and communities every day. We hope you enjoy your special day!*

HOW TO STAY COOL?

Keep blinds and curtains closed during the day to block out heat, use fans to improve airflow, and turn off lights and electronics when not in use. Stay hydrated, choose light bedding for cooler sleep, and avoid using the oven during the hottest hours of the day. If you experience any A/C issues or need assistance, please contact the leasing office.

PET ETIQUETTE

We love our furry residents and want everyone to enjoy a safe and clean community. Please remember to keep your dog on a leash at all times while walking around the property and be courteous to your neighbors by picking up after your pet. Pet waste stations are conveniently located throughout the community for your use.

POOL POLICY

Just a quick reminder: wristbands are required at all times while using the pool. If you don't have yours, you'll be asked to leave the area, this helps ensure the pool stays reserved for our residents. Please follow the pool policies and guidelines.
